March, 2010

Dear Members and Friends,

**GSI** continues to grow thanks to your help and support. Welcome to all our new members!

We would especially like to welcome the many new members of our **GSI** Facebook group. As that group grows it will offer the survivor community yet another way to network and communicate. Members can ask questions, look for friends and relatives, post recommendations for books and films, or just talk to each other directly. Join the over 500 members of our online group! Help us spread the word about this to other members of the survivor community. It is free and easy to participate. For information on joining see the box below. *Please sign yourself up rather than asking us to “friend” you.* We sincerely thank **Aaron Biterman**, Administrator of the **Grandchildren of Holocaust Survivors** Facebook group, for all his help and support.

The FYI section below contains information about an exciting new program developed by 3GNY called **We Educate** (WEDU). We are proud of the pioneering work these grandchildren of survivors are doing and also proud of the contributions made by **Dan Brooks**, Coordinator of 3GNY and member of the **GSI** Coordinating Council.

Please remember to send in your Yom Hashoah commemoration program information as soon as possible. There are instructions for submissions in the box below.

***Generations of the Shoah International (GSI)***

Membership in our interactive leadership listserv is open to leaders / representatives of *landsmanschaft* and other Holocaust-related groups. If your local survivor, second generation or third generation group has not yet delegated a representative to join the **GSI** interactive online discussion / listserv group, please join us now. We already have dozens of members throughout the US and from other countries. This global interactive listserv is the fastest way to reach the survivor community: [GSI@genshoah.org](mailto:GSI@genshoah.org).

For event submissions: [http://www.genshoah.org/contact\\_gsi.html](http://www.genshoah.org/contact_gsi.html). Please fill out the information requested in the text areas and submit it to us at [gsi@genshoah.org](mailto:gsi@genshoah.org). Kindly do not wait until the last minute. Send us your information no later than the 23rd of the month if you wish for it to appear in the upcoming month's issue.

Visit our **GSI** website at [www.genshoah.org](http://www.genshoah.org) for updated information on new books, films, helpful links to Holocaust-related organizations and institutions, etc. Survivors, their children and grandchildren are welcome to post contact information for their local groups on our website.

**GSI** has an “open” Facebook Group that anyone can join and invite others to join. Feel free to introduce yourself to your brothers and sisters in the survivor community and communicate directly with them without having to be cleared by a third party. Use the group to find old friends and relatives. Join us and meet new friends. Our page is visible to Facebook members at <http://tinyurl.com/clhxsf>. Joining Facebook is free and easy: [www.facebook.com](http://www.facebook.com).

Digitisation of Correspondence Underway

Work has commenced on the digitalisation of case correspondence. Around three million files of correspondence between the tracing service, public authorities and the victims of national socialist persecution as well as their family members are to be digitised over the next few years. “Together with the original documents from the Nazi era, the correspondence cases offer a concise account of individual fates,” said Udo Jost, Head of the Archive Division at ITS. “They take the puzzle pieces from the documents, which are often only fragmentary, and assemble them to an overall picture.”

## **FYI...FOR YOUR INFORMATION**

**FYI... The Blue Card** was established by the Jewish community in the early 1930s, in Germany, to help Jews already being affected by Nazi persecution through loss of jobs and other forms of oppression. After the Holocaust, the mission of the organization was expanded to help survivors of the Shoah from all European countries. It continues its work to this very day. For more information: <http://www.bluecardfund.org/home.html>

**FYI...** On the 65th anniversary of the liberation of Auschwitz, over 200 came to celebrate life, and support "WEDU" (We Educate) – our new education initiative that will bring our family stories and lessons of the Holocaust to school classrooms. Developed under the guidance of professional educators, WEDU will prepare participants to learn and teach. The strong turnout was a true indication of our community's commitment to Holocaust education and commemoration. On our website, [www.3gnewyork.org](http://www.3gnewyork.org), you can find details on how to get involved with WEDU.

**FYI...** The Florida Holocaust Museum will host its first annual Genocide and Human Rights Awareness Month (GHRAM) beginning April of 2010. The goal of GHRAM to build public awareness about the current genocide in Darfur and past genocides including the Holocaust, the

Armenian Genocide, the Cambodian Killing Fields, the Rwandan Genocide and the genocide in the former Yugoslavia. Programming during GHRAM will include exhibitions, commemorative events, events focused on public education and advocacy and student workshops. For exhibit and program information: [www.fholocaustmuseum.org](http://www.fholocaustmuseum.org), 727-820-0100.

**FYI...** A film is being made in England about Dutch rescuer **Corrie ten Boom**. The film's producer is looking for survivors rescued by her. If you were rescued by her, or know someone who was, please contact Carla at the Hidden Child Foundation/ADL: 212-885-7902 or [hidde@adl.org](mailto:hidde@adl.org).

**FYI...** A new film that deals in part with the Holocaust is being produced in the UK and will be shot in Italy over the summer. The film, *Charlie*, is not based on an actual person, but the event that inspired it took place in Naples in 1943 as the Allies were invading. A group of children formed a barricade and, with stolen weapons, fought the Germans. Ultimately they were captured and hanged. For more information about this film: <http://www.charriefilm.com/>

**FYI... From the Jewish Museum of Deportation and Resistance in Belgium**

This Museum is located in the Kazerne Dossin (Dossin military barracks) in Mechelen which functioned as an SS-Sammellager from 1942-1944. This was the point of departure for more than 25000 Jews and 351 Gypsies to Auschwitz. The museum has more than 30,000 visitors a year. The museum has space; therefore a new museum is being built. Even though the international context will get a lot of attention, the main focus will be on the very particular Belgian situation.

We plan to expand our collection and are looking for photographs, objects (toys, cultural objects, etc.), letters, diaries, stories, and family films from Jewish families who lived in Belgium during the 1930s and 1940s. By showing recognizable images, objects and stories we want to show the pupils visiting the museum that Belgian Jews or Jews living in Belgium were very normal and lived lives very similar to their lives. Do you still have amateur films from your childhood in Belgium, or from your parents' or grandparents'? I can assure you that the films and the families involved will be treated with the greatest care and discretion. Please contact me at [liesbeth.vantorre@ua.ac.be](mailto:liesbeth.vantorre@ua.ac.be) or Liesbeth Vantorre, University of Antwerp, Prinsstraat 13 / S.L.102, 2000 Antwerp, Belgium.

**FYI... From The International Raoul Wallenberg Foundation, in New York, New York:**

The International Raoul Wallenberg Foundation (IRWF) is searching for people who survived the Holocaust through the effort of the Swedish diplomat Raoul Wallenberg. Wallenberg saved approximately 100,000 people by giving them protective passports and sheltering them in "safe houses", buildings he acquired and maintained under the protection of the Swedish government.

If you were in Budapest in 1944-45 and survived the Holocaust, it is possible that you were saved by Wallenberg. We are currently gathering testimonies as part of "Documenting Wallenberg," a project to be used for educational purposes. We have completed more than 20 interviews so far; but since there is no official list of survivors, we believe there are many more who we have not reached. If you (or anyone you know) were in Budapest in 1944-45 and would like to contribute to this archive, please contact us at 212-737-3275 or email: [irwf@irwf.org](mailto:irwf@irwf.org).

**FYI... One by One, Inc.** is holding a Dialogue Group between descendants of the Holocaust and the Nazi Regime in Berlin, Germany this summer... We are interviewing participants from both sides who would like to consider this deeply moving encounter. Please contact: [info@rosaliegerut.com](mailto:info@rosaliegerut.com)

**FYI...** Of possible interest to grandchildren of survivors: **Interreligious Outreach trip May 6 - 16, 2010** hosted by Germany Close-Up. This trip will focus on Christian-Jewish relations. Highlights include a seminar at Humboldt University in Berlin, a preview of the most important Passion Play in the world at Oberammergau - held only once every ten years, and a chance to speak at Kirchentag, a major gathering of young Christians (anticipating 100,000 this year) in Munich. **FYI...** Israeli Postage Stamp Honors Holocaust Remembrance Day: On January 27th, officials of Israel Post released a special sheetlet of nine different horizontal 6.70 shekel postage stamps to mark International Holocaust Remembrance Day, highlighting the heroism of those *Sharei Hapleitah*, survivors of the Holocaust, who uniquely utilized their collective memories of their horrible past to contribute to the dynamic future of the Jewish State of Israel that we all enjoy today. **FYI...** During the Shoah, the Germans desecrated Jewish cemeteries in order to build roads, fortifications and other structures. Today, there are an estimated 1400 devastated Jewish cemeteries plus thousands of unmarked mass graves in Poland. To date, only a handful of the cemeteries have been reconstructed, mostly paid for by survivors and descendants. Poland Jewish Cemetery Restoration Project estimates the total restoration costs to be \$200 million and has created a petition to the German government requesting financial assistance. PJCRP seeks letters of support from organizations and individuals. Please visit [www.pjcrp.org](http://www.pjcrp.org) to add your voice to our petition, e-mail letters of support to [aimeefogg@yahoo.com](mailto:aimeefogg@yahoo.com) or call Dr. Norman Weinberg, executive director, at 716-912-9378.
